Gates of Vienna By Philip and Marge Ekins This one of a kind book is well known outside of Europe. What's most interesting about it is how little has been reported on it. It was compiled during the Great Depression by Marge Ekins and Philip Ekins. One of those two. Downloadable PDF.. The Two Peoples of India and the United States During 1845 to 1950 By Edward S. Herman, Jr. This book is one of the world's most important historical treatises about America's relationship with the world, including the past. It was written in the last days of the Progressive Era. It deals with a very broad range of American public policy issues and provides a fascinating and accessible look into the workings of one of the most complex, and in many ways, misunderstood, civilizations in history.
